Follow our event trail, visit local farms, pick your own fruit and relax at our many event hubs. All event information can be found at centralcoast.nsw.gov.au/harvestfestival

Drive safely

We urge people to drive safely throughout the Harvest Festival. Some key roads around event hubs will be affected over the weekend. Stick to speed limits and expect some delays with increased traffic around the area. There will be ample car parking at each location and remember to always look out for your mates and drive responsibly.

Shuttle bus

We recommend you take advantage of our free shuttle bus service when travelling around the region, so you can spend more time enjoying the events and less time exploring car parks. For detailed shuttle bus services please visit centralcoast.nsw.gov.au/harvestfestival

In the event of wet weather, check our Facebook @harvestfestcc. Keep up to date on our Harvest Festival website or stay tuned to Star 104.5 for updates.

Stay connected!

ATM and Cash Points

Some of our event hubs are on farms or remote properties and have limited access to cash points or ATM facilities. Plan ahead and bring cash so you can enjoy the many activities around the region.

We are celebrating our fantastic local produce from around the region. We ask all attendees to be respectful when visiting locally owned properties and farms and we thank all the event hub partners who are opening their gates to give us a glimpse of what they do every day.
