About the **Performance Illuminated** pilot project

Central Coast artists and arts **collectives** are invited to join a pilot project called **Performance Illuminated**.

We do have spots for artists who live anywhere in the **world**.

But we will look at **Central Coast** artists first.

We made **Performance Illuminated** because you told us you need

- Places to practice your work.
- Help with funding.
- Support from a group of people including **Central Coast Council**.
- Places to show your work to an audience.

How the **Performance Illuminated** pilot project will work

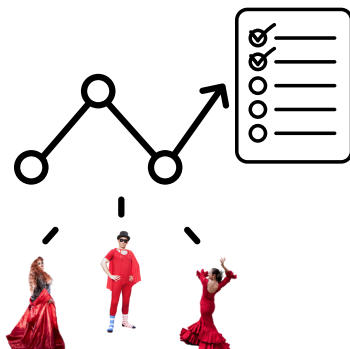

The **Performance Illuminated** pilot project has three parts.

The pilot project will go from April 2024 until October 2024.

Then we will ask artists what they thought about the **Performance Illuminated** pilot project.

Then we will use the information to make a long-term plan for **Performance Illuminated**.

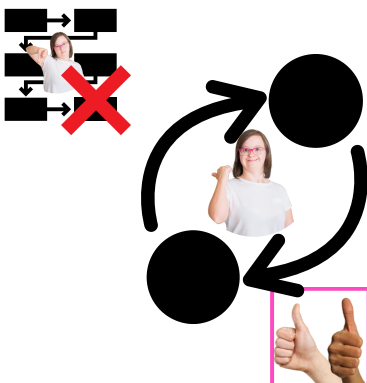

We will make **Performance Illuminated** work well for everyone.

We will make it easy for everyone to apply.

We will learn about you and how we can help you best.

We will keep things easy.

We will be **transparent**.

Transparent means

- We are open about the choices we make.
- We tell the truth about the choices we make.

We will be **equitable**.

Equitable means we follow the rules to make sure **Performance Illuminated** is fair for everyone.

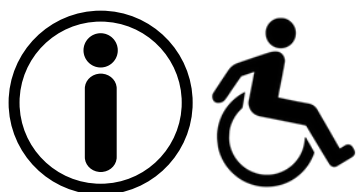

We will support **diversity**.

Diversity means people from different backgrounds get the support they need to be part of **Performance Illuminated**.
