3. Policy Statement

- 3.1. The Central Coast covers an area of 1,680 square kilometres with an expanding population of over 340,000 people. Open space and national parks account for more than 50% of the LGA, including mountains, bushlands, beaches, wetlands, foreshores, estuaries, informal passive areas, and active recreation areas.
- 3.2. As these open space areas become more popular for residents and tourists, a demand has arisen for the use of Council owned and managed open space areas to conduct a trade or business that will allow users to experience a variety of active lifestyle opportunities.
- 3.3. This policy supports activation of trade and business on open space. Examples of allowable trades and businesses include, but are not limited to, the following:
 - 3.3.1. Canoe, kayak, and paddleboat operations
 - 3.3.2. Clinics and coaching
 - 3.3.3. Commercial fishermen
 - 3.3.4. Corporate group training
 - 3.3.5. Dog obedience training
 - 3.3.6. Personal trainers, fitness groups and boot camps
 - 3.3.7. Stand up paddle board
 - 3.3.8. Surf schools
 - 3.3.9. Storage
- 3.4. Council will permit the undertaking of a trade or business on open space areas owned by Council, or where Council is the Crown Trust Manager, subject to terms and conditions as determined by Council.
- 3.5. Trade or business activities conducted on open space areas must be ancillary to the purpose of the reserve and encourage active participation in a healthy lifestyle.

- 3.6. Licences under this policy will not allow for exclusive use of the land and the public must be able to access the agreed upon open space/s at all times.
 - 3.7. Supporting guidelines or procedures, being an administrative process, may be altered as necessary by the Chief Executive Officer. Please see Council's website for specific 'EOI' guidelines.
 - 3.8. In accordance with the *Crown Land Management Act 2016* and *Local Government Act 1993*, temporary licensing will be for a maximum twelve (12) month period over the relevant financial year.
 - 3.9. Fees are payable as provided for in Council's Fees and Charges Schedule. Fees will be reviewed annually in line with Council's review of fees and charges.
-

4. Responsibilities

Compliance, monitoring and review

- 4.1. Council, as owner or Reserve Trust Manager, reserves the right to terminate a licence if the licensee breaches any of the licence conditions. As per section 68 of the Local Government Act, any operators conducting activities requiring Council approval, including a trade or business activity, found to be operating without required approval are guilty of an offence as outlined under sections 626 and 627 of the Act and will be penalised in accordance with the Act.
- 4.2. This policy is implemented and monitored to reflect the changing environment and manage emerging issues as they are identified. The policy will be reviewed within six (6) months of each local council election to evaluate its continuing effectiveness (e.g. achieving its purpose, up to date).
- 4.3. Suspected breaches or misuse of this policy are to be reported to the Chief Executive Officer. Alleged breaches of this policy shall be dealt with by the processes outlined for breaches of the Code of Conduct, as detailed in the Code of Conduct and in the Procedures for the Administration of the Code of Conduct.
