

Who orders the plaques for the Memorial Niche Gardens and Wall?

Council orders all plaques. To place ashes in a pre-purchased niche/place or for immediate placement, a Memorial Niche Gardens or Niche Wall - Plaque Order Form attached to the Application for Order for Burial is required to be completed, showing desired layout and wording for the plaque. The applicant will be asked to confirm the requested layout and wording for the plaque prior to it being ordered. A plaque can take up to 6 weeks to be made. Once the plaque is received by Council, the family will be advised. Additional plaque options and memorial items are available. Our Cemeteries Bereavement Officer can arrange a quote.

How many lines of text can be included on a plaque?

A maximum of ten (10) lines of text, with a maximum of 30 characters including spaces is recommended. If you require more lines than quoted, you may do so however you will be required to pay the extra charges. Our Cemeteries Bereavement Officer will advise you if there will be further costs involved.

Are there Reserved Plaques?

If ashes are not going to be placed in the niche in the near future, a "Reserved" plaque will be affixed by Council.
