Trim Reference: F2020/00039 - D14028330

Chapter 14 of the *Local Government Act 1993* ("LG Act") regulates the way in which the councillors and relevant staff of Council conduct themselves to ensure that there is no conflict between their private interests and their public functions.

Section 451 of the LG Act states:

- (1) *A councillor or a member of a council committee who has a pecuniary interest in any matter with which the council is concerned and who is present at a meeting of the council or committee at which the matter is being considered must disclose the nature of the interest to the meeting as soon as practicable.*
- (2) *The councillor or member must not be present at, or in sight of, the meeting of the council or committee:*
 - (a) *at any time during which the matter is being considered or discussed by the council or committee, or*
 - (b) *at any time during which the council or committee is voting on any question in relation to the matter.*
- (3) *For the removal of doubt, a councillor or a member of a council committee is not prevented by this section from being present at and taking part in a meeting at which a matter is being considered, or from voting on the matter, merely because the councillor or member has an interest in the matter of a kind referred to in section 448.*
- (4) *Subsections (1) and (2) do not apply to a councillor who has a pecuniary interest in a matter that is being considered at a meeting, if:*
 - (a) *the matter is a proposal relating to:*
 - (i) *the making of a principal environmental planning instrument applying to the whole or a significant part of the council's area, or*
 - (ii) *the amendment, alteration or repeal of an environmental planning instrument where the amendment, alteration or repeal applies to the whole or a significant part of the council's area, and*
 - (a1) *the pecuniary interest arises only because of an interest of the councillor in the councillor's principal place of residence or an interest of another person*

1.1 Disclosures of Interest (contd)

(whose interests are relevant under section 443) in that person's principal place of residence, and

- (b) the councillor made a special disclosure under this section in relation to the interest before the commencement of the meeting.*

- (5) The special disclosure of the pecuniary interest must, as soon as practicable after the disclosure is made, be laid on the table at a meeting of the council and must:*
 - (a) be in the form prescribed by the regulations, and*
 - (b) contain the information required by the regulations.*

Further, the Code of Conduct adopted by Council applies to all councillors and staff. The Code relevantly provides that if a councillor or staff have a non-pecuniary conflict of interest, the nature of the conflict must be disclosed as well as providing for a number of ways in which a non-pecuniary conflicts of interests might be managed.

Recommendation

That Council and staff now disclose any conflicts of interest in matters under consideration by Council at this meeting.

- 4 That Council adopt the Fees and Charges 2020-21 as per Attachment 1.**

Context

In April 2020 due to extenuating circumstances being faced during the COVID-19 emergency, the Minister for Local Government announced a number of amendments to the *Local Government (General) Regulations 2005*. The amendments included the provision of cl. 413F to adopt an Operational Plan for 2020-21 financial year by 31 July 2020 rather than by the 30 June 2020.

3.1 Update on Operational Plan 2020-21 (contd)

Further information was issued by the Office of Local Government in May with advice provided to those Councils who wish to take up the additional time would continue to operate under the Operational Plan 2019-20, until such time as the draft Operational Plan 2020-21 is adopted in July.

During April, Central Coast Council also placed its draft Operational Plan 2020-21 and draft Fees and Charges 2020-21 on exhibition. As the COVID-19 pandemic was being realised, further work was undertaken to understand the economic impacts of COVID-19 and the ability to deliver to the Central Coast community.

At its meeting on 9 June 2020 Council resolved to conduct an Extraordinary Meeting on 29 June 2020 to consider submission and adoption of the draft Operational Plan 2020-21. To ensure Council considers all aspects of COVID-19 on the budget, it is necessary to defer consideration of submissions and adoption of the Operational Plan 2020-21 until the meeting of Council on 27 July 2020.

Whilst it is considered necessary to defer the adoption of the Operational Plan 2020-21, the Fees and Charges for 2020-21 aren't impacted by this and are proposed for adoption.

Current Status

Proposal

Based on the further work undertaken to understand the true impact of COVID-19 and the ability to deliver to the Central Coast community it is proposed that:

- Council defers consideration of submissions and adoption of the draft Operational Plan 2020-21 until the meeting of Council on 27 July 2020. This will allow for all aspects of the COVID-19 impacts on the budget to be reviewed and considered.
- Council, in accordance with the direction from the OLG, continues to operate under the Operational Plan 2019-20. Once adopted, the Operational Plan 2020-21 will immediately come into effect.
- Council adopts the Fees and Charges 2020-21 as per Attachment 1.

Fees and Charges

The draft Fees and Charges 2020-21 were exhibited as part of the draft Operational Plan 2020-21 from Tuesday 31 March 2020 to Monday 4 May 2020. During the exhibition period 100 submissions were received, with 26 of these submissions relating to the draft Fees and Charges 2020-21 (the remaining submissions will be considered as part of the adoption of the Operational Plan 2020-21).

The 26 submissions all related to the one fee – Gosford City Car Park. As a result of these submissions it is recommended that the following be amended:

3.1 Update on Operational Plan 2020-21 (contd)

- Gosford City Car Park - permanent parking space for Levels 1 to 5 remain as per 2019-20 rates (Level 1 at \$120 and Levels 2 to 5 at \$86 per month). Refer to Attachment 2 for details.

As a result of regulatory updates and minor wording changes to descriptions it is also recommended that the following Fees and Charges be amended:

- **Water, Sewer and Stormwater Management Fees and Charges** - The draft water, sewerage and stormwater drainage fees and charges placed on public exhibition were calculated using an estimated CPI multiplier of 1.9%, as the CPI for the March 2020 quarter had not been released at the time the draft Operational Plan was developed. The actual CPI multiplier of 2.2% was released at the end of April 2020 by the Australian Bureau of Statistics and has been used in the calculation of the final water, sewerage and stormwater drainage fees and charges for the 2020-21 charging year which is in line with IPART requirements.
- **EPA Waste Levy component of Waste and Recycling Fees** – the NSW State Government Environment and Protection Authority advised that the regulated Waste levy for 2020-21 is \$146.00 per tonne. The draft fees and charges document referenced the rate for 2019-20 as the 2020-21 rate had not been announced at the time the draft Operational Plan was developed. The levy amount is increasing from \$143.60 per tonne. This change will have no impact on the amount of Waste fees proposed to be charged in 2020-21 as a CPI increase had been factored into the draft 2020-21 pricing.
- **Introduction of annual permits for non-desexed cats and dangerous/restricted dogs** - On 5 June 2020 Council was advised that from 1 July 2020 the NSW Government will introduce annual permits for owners of non-desexed cats, restricted dog breeds, and dogs declared to be dangerous. This means that owners of cats not desexed by four months of age will be required to pay an \$80 annual permit in addition to their one-off lifetime pet registration fee. Owners of dogs of a restricted breed or declared to be dangerous will be required to pay a \$195 annual permit in addition to their one-off lifetime pet registration fee. This applies to dogs that are already registered.

Annual permits will create a stronger incentive to desex cats, which in turn will improve their health and wellbeing, and reduce behaviours such as roaming and aggression.

Improving desexing rates and preventing unwanted litters will also ease the burden on pounds and shelters, reduce euthanasia rates, and help to address concerns about feral and stray cats and their effect on wildlife.

Placing further control measures on dangerous and restricted dogs will serve as a further disincentive to owning high-risk dogs and encourage owners to better manage the behaviour of their animal.

3.1 Update on Operational Plan 2020-21 (contd)

As these are statutory fees set by the NSW Government Council is not required to re-exhibit these new fees.

Refer to Attachment 3 for details.

The following minor typographical changes are proposed to be made to the draft 2020-21 Fees and Charges:

- **Holiday Parks and Patonga Camping Ground** – dates for off-peak, shoulder, peak and premium peak periods updated to 2020-21 dates.
- **Leisure and Lifestyle Sports Court Competition fees** – unit of measurement incorrectly presented in draft fees and charges as 'per season', when should have been 'per session'. Proposed amendment is to change to 'per session'.
- **Companion Animal Fees** – minor typographical changes to align to descriptions on NSW Pet Registry.
- **GST review** - the GST status on Council's Fees and Charges has been reviewed and where required the taxable status has been updated to reflect current legislation. This resulted in no change to the proposed fee amounts for Fees and Charges 2020-21.

Refer to Attachment 4 for details.

The proposed Fees and Charges 2020-21, incorporating the above recommended changes is Attachment 1.

Consultation

The draft Fees and Charges 2020-21 were exhibited alongside the draft Operational Plan 2020-21 from Tuesday 31 March 2020 to Monday 4 May 2020. During the exhibition period 100 submissions were received, with 26 of these submissions relating to the draft Fees and Charges 2020-21. The 26 submissions all related to the one fee – Gosford City Car Park. Amendments based on these submissions is included in this report. The remaining submissions will be considered as part of the adoption of the Operational Plan 2020-21.

A dedicated workshop was conducted with Councillors on Saturday 13 June 2020. The workshop was an opportunity for the Executive Leadership to present information on the COVID-19 economic impacts and options to mitigate as a result.

A further workshop is considered necessary and will be an opportunity to provide Councillors with further information, ensuring Councillors have sufficient information in order to make an informed decision on the Operational Plan 2020-21. This workshop has been nominated by Councillors to be conducted on Saturday 4 July 2020.

Options

Council may nominate another date in July to consider submissions and adoption of the Operational Plan 2020-21, noting that the adoption will need to comply with cl. 413F of the LG Regulations.

Financial Impact

In light of the COVID-19 pandemic and the impact it has had and will continue to have on the economy, the additional time to adopt the Operational Plan will allow Council to carefully review and consider all information and act responsibly by proposing a budget that ensures a financially sustainable position and is in the best interest of the Central Coast community.

Link to Community Strategic Plan

Theme 4: Responsible

Goal G: Good governance and great partnerships

R-G4: Serve the community by providing great customer experience, value for money and quality services.

Risk Management

It is considered that providing additional time for Councillors and staff to review the draft Operational Plan 2020-21 under the current circumstances mitigates the risk that the adopted plan will not take into account the current economic environment. However, it is also noted that given the constantly changing circumstances and impacts of COVID-19 this risk cannot be eliminated.

Critical Dates or Timeframes

Failure to adopt the Operational Plan 2020-21 by 31 July 2020 will not only be a breach of cl. 413F of the LG Regulations, but also s. 405 of the Local Government Act. As it is a breach of legislation this could mean further consequences imposed by the Minister for Local Government. This would also mean that Council would not be able to raise or expend any income, deliver services, undertake any infrastructure works or fulfil any other commitments to the community.
