

Entertainment Expressions of Interest

The Lakes Festival will look a little different this year given COVID-19 and the current environment, but the celebration of our waterways will continue! Memorial Park will come alive with 'Under The Wave', a pop up wave structure that will play host to a variety of entertainment across the ten days of the Festival.

Do you have creative vision? We are seeking Expressions of Interest (EOI's) to fill the space, with creative ideas, theatrical performances and out of the box ideas, while still staying true to the theme of our waterways.

Successful ideas and performances will form part of the Festival's ten-day program and will benefit from a full marketing campaign and be listed in our program.

What are we looking for?

- Inclusive and immersive entertainment, including live music, magic shows, circus performances, dance groups, comedy nights, movie nights plus more
- Focus on the environmental space or a connection to the waterways
- Bold, innovative, and fun, out of the box ideas
- Shows will need to be ticketed, either paid or free, and be for 100 participants maximum, while abiding to all social distancing requirements

Deliverables by Event Organiser

- Event proposal (link to complete form below)
- Entertainment management
- Manage bookings via a booking website (100 pax max)
- Manage the entertainment and crowd to ensure COVID safe
- Delivery of the event including bump in and out
- Event staff
- Relevant documentation including risk assessments, COVID safe plans, Safe Work Method Statements (SWMS) etc
- Provision of \$20,000,000 Public Liability Insurance
- Should you choose to utilise the audio, visual and lighting covered by Central Coast Council, the cost of technicians to run equipment on the night will need to be covered by the Organisation
