GROUP GUIDED TOUR FORM

Information

Please reference the group guided tour form if you are not an educational facility.

Tours take approximately 45 minutes to 1 hour or can be tailored to be shorter if an activity is accompanying the tour. Tours can be scheduled any week day (except facility closure) between 9.30am and 3pm. Tours can be of the Gardens, the gallery or both.

About the Gallery Tours

Explore Gosford Regional Gallery with our gallery guides and discover insights into artists, works of art and exhibitions. Our dedicated team of volunteer guides have trained in visitor experience, art history and educational guiding methods. They are passionate about visual arts and can cater to most demographics.

About the Garden Tours

The Garden tours are designed to explain the key features of the Japanese garden and the philosophy and principles behind it. This is an excellent way to engage with units on Asian Cultures. They include an opportunity to feed the fish.
