Please call the PLC on **4325 8123** to confirm the pools availability. The Program Pool is not to be used as a play pool. When open children: **(a)** Aged 4 and under must have one parent per child in the pool with them at arms length at all times. **(b)** Aged 5-9 must have a parent in with them within arm's reach at all times. **(c)** Aged 10+ are only permitted in the program pool for rehabilitation purposes or if they are participating in a program.

There is to be no jumping in and out of the pool unless in a centre run or approved program. The pool users must obey lifeguard and centre staff directions at all times. In winter, the PLC closes at 3pm on Saturdays and Sundays, at 8pm from Monday to Thursday and 7pm on Fridays.

Major events and bookings that have a significant impact on this timetable will be posted on the upcoming events board in the pool hall, and on the Central Coast Council website.
