## **1.6 Mayoral Minute - Central Coast Business Excellence Awards**

---

TRIM REFERENCE: F2004/06635 - D02651694

AUTHOR Doug Eaton; Councillor

### ***I formally move:***

- 1 That, subject to Gosford City Council contributing \$5,000 for a partnership package, Council also contributes \$5,000 for a partnership in the inaugural Mercedes-Benz, Central Coast Business Excellence Awards.***
- 2 That Council note that its support is conditional upon The Central Coast Business Excellence Awards recognising Council on promotional material, official programmes and signage.***

### ***Note from the Mayor:***

Central Coast Business Excellence Awards have invited Wyong Council to become a partner in the inaugural Mercedes-Benz, Central Coast Business Review, Business Excellence Awards.

I am advised that these awards are being organised by people who care, people who want the Coast to showcase what is the best of the Coast and have the capacity to organise an event that everyone will be very proud to be a part of. An event of this stature and prestige has not previously been held on the Central Coast and it is planned to create the most spectacular event.

The Awards will take place on Saturday 13<sup>th</sup> August 2011 and it is expected that they will attract two hundred and fifty of the cream of business and community leaders. The Premier has accepted an invitation to attend.
