DEED OF VARIATION OF VOLUNTARY PLANNING AGREEMENT

PARTIES

Wyong Shire Council of Council Chambers, Hely Street, Wyong in the State of New South Wales ("Council")

The Trustees of the Roman Catholic Church of the Diocese of Broken Bay of Building 2, 423 Pennant Hills Road, Pennant Hills in the State of New South Wales ("the Church")

and

Warnervale Medical Holdings Pty Limited as trustee for the **Warnervale Medical Holdings Unit Trust** of PO Box 27, Toukley in the State of New South Wales ("the Developer")

BACKGROUND

- A. On 24 September 2010 the Parties entered in to the Voluntary Planning Agreement ("VPA"). The VPA makes provision for the payment of contributions to Council for the development of the Developer Land and related matters. The VPA does not provide for the staged payment of contributions to Council.
- B. At the time the Parties entered in to the VPA the Church owned the Church Land. Since that time the Church Land has been subdivided in to a number of lots, one of which is the Developer Land, and the Developer has purchased the Developer Land from the Church.
- C. The original Development Consent did not provide for staged development of the Developer Land. The Modified Consent, being a modification of the Development Consent, does provide for the staged development of the Developer Land. The Developer has completed Stage 1 of the Development on the Developer Land, pursuant to the Modified Consent.
- D. The effect of this Deed is to vary the VPA so as to permit the staged payment of developer contributions consistent with the staging permitted under the Modified Consent; to acknowledge that the Developer has paid the Previous Contributions; to provide for the return to the Developer of both the Bank Guarantee and the proportion of the Previous Contributions that relate to Stage 1; to remove the Church as a party to the Current VPA; and to make consequential modifications to the VPA.

The Trustees of the Roman Catholic Church of the Diocese of Broken Bay of Building 2, 423 Pennant Hills Road, Pennant Hills in the State of New South Wales ("**the Church**")

and

BACKGROUND

- A. On 24 September 2010 the Parties entered in to the Voluntary Planning Agreement ("VPA"). The Developer has completed Stage 1 of the Development on the Developer Land, pursuant to the Modified Consent.
- D. The effect of this Deed is to vary the VPA so as to permit the staged payment of developer contributions consistent with the staging permitted under the Modified Consent; to acknowledge that the Developer has paid the Previous Contributions; to provide for the return to the Developer of both the Bank Guarantee and the proportion of the Previous Contributions that relate to Stage 1; to remove the Church as a party to the Current VPA; and to make consequential modifications to the VPA.

DEED OF VARIATION OF VOLUNTARY PLANNING AGREEMENT

PARTIES

Wyong Shire Council of Council Chambers, Hely Street, Wyong in the State of New South Wales ("**Council**")

The Trustees of the Roman Catholic Church of the Diocese of Broken Bay of Building 2, 423 Pennant Hills Road, Pennant Hills in the State of New South Wales ("**the Church**")

and

Warnervale Medical Holdings Pty Limited as trustee for the **Warnervale Medical Holdings Unit Trust** of PO Box 27, Toukley in the State of New South Wales ("**the Developer**")

BACKGROUND

- A. On 24 September 2010 the Parties entered in to the Voluntary Planning Agreement ("VPA"). The VPA makes provision for the payment of contributions to Council for the development of the Developer Land and related matters. The VPA does not provide for the staged payment of contributions to Council.
- B. At the time the Parties entered in to the VPA the Church owned the Church Land. Since that time the Church Land has been subdivided in to a number of lots, one of which is the Developer Land, and the Developer has purchased the Developer Land from the Church.

The Modified Consent, being a modification of the Development Consent, does provide for the staged development of the Developer Land. The Developer has completed Stage 1 of the Development on the Developer Land, pursuant to the Modified Consent.
- D. The effect of this Deed is to vary the VPA so as to permit the staged payment of developer contributions consistent with the staging permitted under the Modified Consent; to acknowledge that the Developer has paid the Previous Contributions; to provide for the return to the Developer of both the Bank Guarantee and the proportion of the Previous Contributions that relate to Stage 1; to remove the Church as a party to the Current VPA; and to make consequential modifications to the VPA.
