To the Ordinary Council Meeting

Councillor

## **1.7 Mayoral Minute - April 2015 Natural Disaster**

---

TRIM REFERENCE: F2015/00497 - D11942311

AUTHOR: Doug Eaton OAM; Councillor

In April 2015 Wyong Shire amongst other areas was declared a Natural Disaster area due to the storm events and flash flooding.

This event has highlighted how much our local volunteers contribute in times of need and how essential they are to our community.

In recognition we should recognise those involved including council staff, the volunteers from such organisations as the State Emergency Services, Rural Fire Service, Volunteer Rescue Association, Salvation Army and Red Cross for their efforts by holding a civic reception.

***I formally move:***

***That Council recognises the efforts of the emergency and volunteer services organisations involved in the April 2015 Natural Disaster.***

***That Council hold a civic reception for these services in recognition of these services for their efforts.***
